

MILLIONS AGAINST MEDICAL MANDATES

Best Knowledge About COVID

By MAMM's Collaborative Communications Committee

Many wonderful organizations and brilliant medical professionals have richly contributed to the body of knowledge we presently have on many aspects of Covid-19 prevention and treatment. While it is impossible to provide a total compendium of all that is out there, within is a comprehensive list of links to some of the best information available. We, of course, invite you to use the resources and articles we have at <https://millionsagainstmmandates.org> and to sign up for our newsletter to keep you informed.

Don't wait to develop a plan. Assemble an on-hand "tool kit," as occasionally things can turn ugly fast.

Covid Prevention

As you will learn from these 3-physician sources, COVID-19 is often preventable, or rendered less severe.
